

I'll Be Your Friend and I'll Be There

I'll Be Your Friend and I'll Be There

When you tell a joke and no-one laughs
When you slip and fall in the swimming baths
When you trip in the hall and spill your food
When you get told off for being rude
When you lean too far and fall off your chair

I'll be your friend and I'll be there,

When your test comes back with nought out of ten
When you smudge your work with your fountain pen
When you slide and fall down in the mud
When the teacher tells you you're no good
When the whole class giggles at your new style of hair

I'll be your friend and I'll be there,

When the bullies chase you in the yard
When the maths you're given is far too hard
When you're feeling blue and all alone
When others leave you on your own
When all you feel inside is doubt

I'll be your friend and help you out.
